

"In order that Christ may be formed
in the faithful, He must first be
formed in the priest."

~A Short Biography of Pope St. Pius X

"A noble and worthy priesthood, according to his first encyclical, was to be one of the means towards that restoring of all things in Christ 'which was to heal the wounds of the world.' --- 'The priest is the representative of Christ on earth,' he said on one occasion to the students of the French College in Rome; 'he must think the thoughts of Christ and speak His words. He must be tender as Christ was tender, pure and holy like his Lord; he must shine like a star in the world.' **This was not easy, he acknowledged; it needed a long preparation of study, of self-discipline and of prayer.** The spiritual weapons must be well tempered for the combat, for the fight would be hard and long. 'A holy priest makes holy people,' he said on another occasion; 'a priest who is not holy is not only useless but harmful to the world.'"

~A Short Biography of Pope St. Pius X

Sorrowful Heart of Mary

"His reign must be established on earth as it is in heaven. It is He himself who said so in the prayer that he taught us, the Our Father: 'Thy kingdom come, thy will be done on earth as it is in heaven'. **And this must be the object of our prayers, the intention of our sufferings, and the purpose of our life. We must have no rest until Our Lord's reign is established."**

~Archbishop Lefebvre,
The Mass of All Time, pg. 132

October, 2021

To The Few Friends of Christ Crucified,

In 1988 Archbishop Marcel Lefebvre coined the term “Operation Survival” to describe the emergency state of the Church since the Second Vatican Council, and the task for those professing the Faith to continue fighting for Catholic Tradition!

What would he say today? He would proclaim: “Operation Survival” is more urgent than ever! The Battle for Catholic Tradition calls up each Member of the Church Militant to arms, to fight generously, to not look back, to raise the standard of the Sacred Heart higher and higher, now, more than ever!

The true Catholic Resistance began with Abp. Lefebvre, which he mobilized and heralded in the great **Declaration of 1974**. This Resistance to the destruction of the Church is much more demanding now than thirty-three years ago! While the cancer of compromise with Modernism gnaws, like maggots, at every level of the Church, it is necessary to do all we can for the glory of Christ the King, Catholic Tradition, and the salvation of souls! It is nothing other than: "To restore all things in Christ!" (Pope St. Pius X)

This is why it appears necessary to initiate a fundraiser for a suitable property which can receive candidates for an Oratory, with the formation of Traditional Catholic priests as its ultimate goal. What else can be the Will of Divine Providence and of Holy Mother Church?

The best option for the purpose would be a property with buildings ready to go, capable of providing a chapel, individual cells, kitchen, refectory, workshop, and classrooms. A building containing 15 or more cells (or bedrooms) would make a flexible place for studies and Ignatian Retreats during the year, without having to rent out a venue. A property with a certain amount of acreage would provide some separation from the world, without being totally isolated. Such a property would ideally enable a small farm and workshop to channel the talents of the brothers and enable some self-sustenance.

For two years the search has been in progress. The summary of this property-hunt is:

1. The most suitable properties, functional and ready for immediate religious life, run from \$900,000 and upwards.

2. The properties that can be used immediately, but will need construction and restoration to fit the purpose, run generally from \$500,000 and upwards.

3. Properties that have good land and some functional buildings, but will require fundraiser-after-fundraiser to build and restore for adequate use, usually sell for \$200,000 and upwards.

Many generous souls have made novenas and frequent Holy Hours, imploring Heaven for this purpose. May God bless you and thank you for your generous hearts! St. Joseph knew exactly what it was like to search for a roof and try to provide a home for his Virgin Spouse and the Christ Child! If he can do it for the Head of Christ’s Mystical Body, he can certainly do it for some of its Members! I know he will! Clearly, the sort of property he will provide will be among the three listed above, and will, notwithstanding, be dependent on the amount raised.

- Please help **“Operation Survival”** to forge forward!
- Please help form the priests for tomorrow, who will **continue the work of Tradition**, as Abp. Lefebvre handed it down!
 - Please do not deprive Mother Church of the good vocations ready for formation!
 - Please help Our Lady form priests who are trained to combat Modernism, Evolution, the Conciliar Errors and all of its destructive Reforms!
 - Please help provide a Tower of Resistance that holds high the flame of Catholic Truth and will not waver until Rome returns to Tradition and **reaffirms the great Papal Encyclicals** listed by Abp. Lefebvre, as proof of Rome’s conversion!
 - Please help form a **spearhead of priests** who will insist on the Pope’s Consecration of Russia, as demanded by Our Lady of Fatima, and reparation to Her Immaculate Heart!
 - Please help save souls and sanctify them through the Holy Sacrifice of the Mass, the Traditional Sacraments, Exorcisms and Blessings, without contamination of the Conciliar Reforms.

Checks may be made out to: **Sorrowful Heart of Mary**. Please specify on checks: **“For Property.”**

All our hopes are in the Most Sacred Hearts of Jesus and Mary! May Their glorious Victory come soon.

In Christ the King,
Fr. David Hewko
