“ONE DAY THROUGH THE ROSARY AND THE SCAPULAR I WILL SAVE THE WORLD” (Our Lady to St. Dominic)

The Rosary's unique history of saving nations in the past gives us great hope. Not only in centuries past was Christian Europe saved but also in recent times. Between 1955 and 1975, we saw the miraculous **peaceful withdrawal** of the communists from Austria, Brazil, and Portugal, following organized Rosary campaigns. According to a Reader's Digest article, it was a **public march of 600,000 women** through the streets of Sao Paulo praying the **Rosary** that made it possible to unite **Brazil**, a politically divided nation of some 77 million people, in overthrowing the communist yoke. The leftist leaders realized they did not have the support of the people and fled. This is just one example of the many victories of **public Rosary campaigns**.

In 1917 Our Lady told the children at Fatima, Portugal to pray the Rosary for world peace. At present our nation, as well as the entire world, are divided and definitely not at peace. Sister Lucy, one of the seers at Fatima, said: “There is no problem, no matter how difficult it is, whether temporal or spiritual, in the personal life of each one of us, of our families... of the religious communities or even of the life of people **AND NATIONS**, that cannot be solved by the **Rosary**.”

Since “we are all in this together”, let us unite in praying for peace, not only for our own country but for the entire world. There are **public Rosary campaigns** springing up spontaneously around the world. Let us unite with them in giving **public witness** to the intercessory power of **Mary, Mediatrix of all Graces**. Calling upon her as the Mother of Mercy, we are reminding her that Canada was consecrated to her Immaculate Heart. We are entrusting our country to her, asking her intercession for all its citizens; the restoration of the Kingship of Christ in society; for freedom of the Church; for peace, freedom and protection of all mankind; for the rulers and the Pope; for cohesion and reconciliation in society; for encouragement of other countries in their struggles; for strength and endurance in the future.

With confidence, we know that Mary will not abandon her beloved Canada and so we turn to her. We also turn to her beloved spouse, **St. Joseph**, and her dearest mother, **St. Anne**, both patron saints of our country. The more desperate the situation becomes, the more hopeless the circumstances, the greater confidence we should have that the glorious Queen of the Most Holy Rosary will snatch victory from the jaws of defeat. **The Rosary is the weapon** in this spiritual battle and if we are faithful and persevere with these heavenly weapons, **the triumph of Mary's Immaculate Heart** is inevitable.

History and the Catholic faith show that the Rosary can solve the nations' problems, but action must be taken **now before it's too late**. **JOIN US IN THE WEEKLY PUBLIC ROSARY FOR MERCY AND PEACE IN OUR COUNTRY THROUGH CHRIST OUR LORD!**
